IV. 应用写作

请根据以下电子邮件内容填写相关信息。

Dear Jason,

Long time no see. How's everything with you? I'm now in a vocational school. There are six majors in our school. They are computer science, mechanical engineering, cookery, e-commerce, nursing and photography. My major is computer science. Among the courses we learn, I like programme design very much. I will be a programme designer in the future.

By the way, there are many clubs in our school. They are dancing club, English club, photography club, drama club, sports club and so on. I will join the English club because I would like to improve my English. I also go to English Corner every Friday night. It's very interesting and joyful.

I am sure that I will gain a lot here. Looking forward to your reply.

Yours,
Li Ming
